

2.4GHz WIRELESS COMS CAMERA SERIES

Price term: FOB(Shenzhen): MOO: 50pcs

HRH-203+801A

WIRELESS CAMERA

- 380TV lines sharp picture display.
- Tiny size for discreet observation & portability.
- 4 channel A/V receiver.
- Built-in microphone for audio monitoring.
- Min 100m transmission distance without block.
- Including adaptive bracket ,easy installation.

Price: USD25/pc

HRH-203+802A

WIRELESS CAMERA

- 380TV lines sharp picture display.
- Tiny size for discreet observation & portability.
- 4 channel A/V receiver.
- Built-in microphone for audio monitoring.
- Min 100m transmission distance without block.
- Including adaptive bracket ,easy installation.

Price: USD25/pc

HRH-203+803A

WIRELESS CAMERA

- 380TV lines sharp picture display.
- Tiny size for discreet observation & portability.
- 4 channel A/V receiver.
- Built-in microphone for audio monitoring.
- Min 100m transmission distance without block.
- Including adaptive bracket ,easy installation

Price: Price: USD25/pc

HRH-203+806A

WIRELESS CAMERA

- 380TV lines sharp picture display.
- Infra-red LED's to aid night-time vision.
- Alloyed shell,weather-proof function for Outdoor usage.
- 4 channel A/V receiver.
- Built-in microphone for audio monitoring.
- Min 100m transmission distance without block.

Price: USD30/pc

HRH-203+808A

WIRELESS CAMERA

- 380TV lines sharp picture display.
- Infra-red LED's to aid night-time vision.
- Alloyed shell,weather-proof function for Outdoor usage.
- 4 channel A/V receiver.
- Built-in microphone for audio monitoring.
- Min 100m transmission distance without block

Price: USD33/pc

HRH-213+801A/T²

WIRELESS CAMERA

- 380TV lines sharp picture display.
- Tiny size for discreet observation & portability.
- 4 channel AUTO channel switching A/V receiver.
- Built-in microphone for audio monitoring.
- Min 100m transmission distance without block.
- Including adaptive bracket ,easy installation

Price: US40/pc.

HRH-213+803A/T²

WIRELESS CAMERA

- 380TV lines sharp picture display.
- Tiny size for discreet observation & portability.
- 4 channel AUTO channel switching A/V receiver.
- Built-in microphone for audio monitoring.
- Min 100m transmission distance without block.
- Including adaptive bracket ,easy installation.

Price: USD40/pc

HRH-213+806A/T²
